

As of 20 December

iiSBE Workshop on the performance assessment of neighbourhoods

The purpose of the workshop is to present some recent initiatives in assessment of neighbourhood performance and to share ideas on future directions.

The workshop will take place at **UN Environment** Economy Division, 1 rue Miollis, Building VII, 75015 • Paris. Nearby metro stations are Sevres-Lecourbe (Metro 6) and Segur (Metro 10).

The meeting will occupy 1 1/2 days, from **09:00 on Wednesday, 17 January, to 12:15 on Thursday, 18 January**. The urban assessment workshop will be immediately followed by the meeting of SBE conference coordinators on Thursday afternoon and all day Friday (18 and 19).

The following 21 persons are expected to participate.
